

APAC COSTUME ORDER FORM

Please refer to the [size chart](#) when measuring your child. Do not include measurements on this form. Check appropriate box below.

THE MOST IMPORTANT MEASUREMENT is the girth. If you are right at the edge of a measurement, you may consider ordering a larger size. These costumes will be worn in MAY. Please allow room for growth. Keep in mind that it is easier to take up a larger costume, than to let out one that is too small. Once costumes have been ordered, no refunds can be issued so measure carefully.
