and Measuring Guide for Costumes

How to Measure

Bust

Measure over the fullest part of the bust/chest, under the arms and around the widest part of the back.

1

Waist

Measure around the natural waistline, the narrowest part of the upper torso.

2

Hips

Measure around the fullest part of the lower torso.

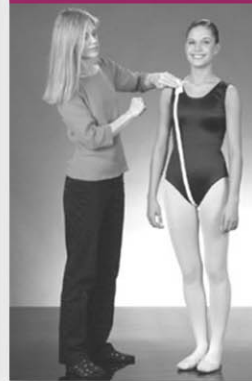

3

Girth*

Beginning at the middle of one shoulder, take tape down through the legs, and back up to meet the middle of the same shoulder.

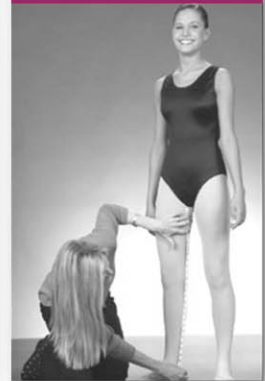

4

Inseam

Measure from the crotch down to the ankle bone on the inside of the leg.

5

For accuracy students should be wearing a leotard
